

## Submission form: Post implementation review of the *Strong and Sustainable Resource Communities Act 2017* (SSRC Act Review)

Please complete this form if you wish to provide a submission by email or post. To make an online submission, visit <https://haveyoursay.dsd.qld.gov.au/>

Queensland's Coordinator-General invites you to have your say on the consultation report for the post-implementation review (the review) of the *Strong and Sustainable Resource Communities Act 2017* (the Act). The consultation report details key findings of the review to date, including draft recommendations on the future of the Act. Several questions are included throughout the consultation report seeking your views on the effectiveness of the Act and/or further information to quantify the issues the Act is intended to address. These are consolidated in the table below for your consideration.

Comments on the consultation report will be accepted between **1 February 2021** and **30 April 2021**. Your comments, including any personal information you provide, will not be disclosed to third parties.

Your submission will be used to inform the Decision (Final) Review Report and recommendations to the Queensland Government. You can send your submission to the OCG by:

- **Email:** SSRCPIR@coordinatorgeneral.qld.gov.au
- **Post:** The Office of the Coordinator-General  
SSRC Act – Post Implementation Review Team  
Department of State Development, Infrastructure, Local Government and Planning  
PO Box 15517, CITY EAST QLD 4002 Australia
- **Fax:** +61 7 3220 6502

You can view the consultation report on:

<https://www.statedevelopment.qld.gov.au/coordinator-general/strong-and-sustainable-resource-communities/post-implementation-review>

If you are sending your comments by email or post, it is preferred that you complete and send this comment form. However, you may provide your written comments in any format.

**Your details (please print)**

<b>Full name</b> .....	<b>Organisation (if relevant)</b> .....
<b>Email address</b> .....	.....
<b>What is your involvement / interest in the resource industry?</b> ..... ..... .....	
<b>Signature</b> .....	<b>Date</b> ...../...../21....

**Your comments on the consultation report for the PIR (please print)**

<b>Specific questions on the consultation report*</b>	
<i>*These questions have been developed to address stakeholder feedback received to date. Please provide any general comments at the end of this submission form.</i>	
<b>Section 2 of the consultation report</b>	<b>Comment(s)</b>
1. With reference to Section 2.2 "Original problem the SSRC Act was to address", is there any further evidence or information to describe or justify the problem the Act was intended to address?	
<b>Section 4 of the consultation report</b>	<b>Comment(s)</b>
2. With reference to Section 4.2 "100 per cent FIFO prohibition", what data sources are available to understand local and non-resident workforce movements in/out of communities near large resource projects?	

### Specific questions on the consultation report\*

*\*These questions have been developed to address stakeholder feedback received to date. Please provide any general comments at the end of this submission form.*

3. With reference to Section 4.2 "100 per cent FIFO prohibition", do you think it is important to differentiate the place of residence (local/regional/state-wide/interstate) or travel mode (FIFO/DIDO/BIBO) of local and non-resident workforces?

4. With reference to Section 4.2 "100 per cent FIFO prohibition", are there any other impacts (positive, negative and unintended) that can be attributed to the 100 per cent FIFO prohibition?

5. With reference to Section 4.3 "Anti-discrimination provisions", is there any further evidence or information to demonstrate how recruitment or discrimination of local workers has changed since the Act commenced?

6. With reference to Section 4.3 "Anti-discrimination provisions", are there any other impacts (positive, negative and unintended) that can be attributed to the anti-discrimination provisions?

7. With reference to Section 4.4 "SIA provisions", at what stage and how should the effectiveness of social impact assessment provisions be investigated and measured?

8. With reference to Section 4.7 "Costs", please identify any further evidence or information that could be used to measure or improve the effectiveness of the Act, including:

- Maximising cost effectiveness

## Specific questions on the consultation report\*

*\*These questions have been developed to address stakeholder feedback received to date. Please provide any general comments at the end of this submission form.*

- Enhancing benefits for stakeholders
- Ways to address unintended consequences

### Section 6 of the consultation report

#### Comment(s)

9. With reference to Section 6 "Does a problem still exist?", is there further evidence to describe or justify the existing or ongoing problem for the Act to address?

### Section 7 of the consultation report

#### Comment(s)

10. With reference to Section 7 "Are there better policy options available?", are there other self-regulatory or non-regulatory actions that would be more effective at achieving the Act's object?

11. With reference to Section 7 "Are there better policy options available?", do you agree with the recommended policy recommendation?

### Appendix 2 of the consultation report

#### Comment(s)

12. With reference to Appendix 2 - "Draft long-term data collection framework for the SSRC Act", are there other key indicators that should be included for these five aims of the Act?

**General feedback / comments on the SSRC Act and / or the consultation report**

- If there is not enough space on this form, please attach additional pages. Please write your full name and the name of the project (i.e. SSRC Act Review) on any separate pages.
- Send the completed form to the email/postal address described above.
- You **must** provide your comments by the closing date shown above.
