

# Resource Recovery Industry Development Program (RRIDP)

## Expression of Interest (EOI) – Stream two

### How to complete your application

- This document is designed to help you plan and prepare your expression of interest in stream two of the RRIDP.
- Your submission must still be lodged through the [online form](#). **Physical and email submissions will not be accepted.**
- For more information on the RRIDP and its three streams, visit the [RRIDP web page](#).

### Enquiries

Queensland Government Department of State Development, Manufacturing, Infrastructure and Planning (DSDMIP)

Telephone: (07) 13QGOV (13 74 68)

Email: [rridp@dsmip.qld.gov.au](mailto:rridp@dsmip.qld.gov.au)

## Applicant details

### Key contact

---

<b>Primary contact</b>	Title:	First name:	Last name:
	Position:		
	Telephone:		Mobile:
	Email:		

---

### Applying organisation

---

Lead applicant:

---

Lead applicant ABN or ARBN:

---

Lead applicant address:

---

### Other applicants

---

*Only complete this section if you are applying as the lead applicant of a consortium.*

---

## Part A: Project summary

---

### Project title

*This name will be used on all correspondence and public information about the project. Please use 10 words or fewer and consider including the location of the project in the title for reference.*

---

### Project location (town/city)

---

### Project summary

Please provide a concise summary of your project. The summary should include a description of the resource recovery infrastructure to be built or enhanced, the location of the infrastructure, a project timeline, the type of waste materials to be recovered and the source of the waste materials. The summary should note any commercially sensitive details as it may be used in public announcements about the project.

---

### Project category

Select **one** box which best describes the project, noting some projects may fit more than one category.

- Collection and transfer infrastructure
  - Organics processing
  - Recovery / sorting
  - Recovery - C&D (construction & demolition)
  - Reprocessing
  - Energy from waste
  - New bioprocessing facility
  - Industrial biotechnology and bioproducts infrastructure
  - On-site and precinct solutions
  - Other (provide details):
- 

### Incentive requested from the Queensland Government

*Please enter any dollar values numerically*

---

### Total project costs

*Please enter a numerical dollar amount in AUD*

---

## Part B: Eligibility

This section sets out the basic eligibility criteria for all applications.

Please review and complete this section to confirm initial eligibility for your organisation to apply for funding. You must answer the following questions truthfully to the best of your knowledge and be able to provide details to support your answers during the detailed application process.

If you answer 'No' to any of these questions, you are probably not eligible for this grant funding program. If uncertain about your eligibility, you should [contact the RRIDP program team](#) before continuing.

---

<b>1. Legal status of the applicant</b>	Yes / No
Is your organisation one of the following:	
<ul style="list-style-type: none"><li>• a council, regional organisation of councils or other local government-controlled organisation</li><li>• a non-government / not-for-profit organisation with an established legal status (according to ATO definition)</li><li>• a private business or partnership as defined under the <i>Corporations Act 2001 (Cth)</i>.</li></ul>	
Note: All applicants must be legally constituted entities and <b>not individuals or sole traders</b> .	

---

<b>2. Authority to proceed</b>	Yes / No
Do you have authority to apply for incentives and proceed with the project?	

---

<b>3. Financial and Technical Capacity</b>	Yes / No
Does your organisation have the financial capacity to co-fund the capital costs of the project and fund the ongoing operational costs over the life of the project (without reliance on ongoing Government assistance)?	
Does your organisation have the technical capacity to deliver the project?	

---

<b>4. Regulatory compliance history</b>	Yes / No
Can your organisation demonstrate a history of compliance with all relevant legislation, including Queensland environment protection legislation? If you have had minor infringements and non-compliances which have been adequately rectified, you may still answer yes to this question, but please attach a brief outline of the infringements and non-compliance and how they were rectified to this EOI.	

---

In addition to the applicant eligibility criteria, there are minimum project eligibility criteria as set out below.

---

<b>5. Waste diversion</b>	Yes / No
Will the project divert or recover waste materials into the productive economy that are currently being landfilled or stockpiled?	
<hr/>	
<b>6. Supply Chain Development</b>	Yes / No
Does the project have demonstrable availability of waste feedstocks and access to offtake markets for recovered products?	
<hr/>	
<b>7. Resource Recovery Infrastructure</b>	Yes / No
Will the project deliver new or improved resource recovery infrastructure, for example collection, recovery and reprocessing infrastructure?	
<hr/>	
<b>8. Non-landfill Infrastructure</b>	Yes / No
Can you confirm the project does not involve construction of landfill infrastructure, including a new landfill, a new landfill cell, landfill improvements, landfill capping or rehabilitation?	
<hr/>	
<b>9. Timeframes</b>	Yes / No
Is the project capable of being delivered and operational within the timeframe proposed by the applicant?	
<hr/>	
<b>10. Approvals</b>	Yes / No
Can you confirm that all necessary planning approvals and environmental licences required for the project are in place or are expected to be secured within the delivery timeframe?	
<hr/>	
<b>11. New / Additional Project</b>	Yes / No
Can you confirm that implementation of the project has not already commenced at the time of applying, nor is it planned to commence regardless of this application for financial assistance? Applicants should answer no, if:	
<ul style="list-style-type: none"><li>• the applicant is already contracted to provide the resource recovery infrastructure or service that is proposed</li><li>• the applicant is already contracted to supply the recovered resources that are proposed to be produced by the project at the same volume proposed by this application</li><li>• funding has already been approved and committed to the project regardless of the grant</li><li>• construction has commenced, or contracts have been executed for supply / construction of the facility.</li></ul>	
<hr/>	
<b>12. Need for assistance</b>	Yes / No
Can you confirm that the project is unlikely to proceed at this time without financial acceleration from the Government?	
<hr/>	

---

**13. Technology**

Yes / No

Will the project use only technology and solutions that have been commercially proven in similar applications, either in Queensland or elsewhere?

---

**14. Other grants**

Yes / No

Can you confirm that no other DSDMIP grant has already been committed as part of the project?

---

If your EOI satisfies the eligibility criteria you will be invited to proceed to the detailed application stage. Refer to Section 2.6 of the Program Guidelines for further information regarding the detailed application stage.

## Part C: Declaration

Before making your expression of interest in stream one of the RRIDP you will be required to read and agree to a privacy notice and declarative statement on behalf of both yourself and any consortium partners. These can be viewed and agreed to through the [RRIDP stream one online form](#).
